

About Me

Meaningful Design With Passion

I am an experienced UI/UX and web -designer specializing in User Experience and Interface Design, with a strong passion for accessibility, digital illustration, and the seamless integration of color. I enjoy designing innovative experiences to enhance the lives of users.

People's satisfaction is what drives me to create. I've always been on a journey of creativity.

Let's connect! I'd love to discuss how we can collaborate or exchange ideas.

My Soft Skills

During my previous employment and studies, I developed strong skills in teamwork, responsibility, attention to detail, and problem-solving. I am open, friendly, hardworking, and highly motivated. I take pride in being helpful and proactive, with a passion for continuous learning and professional development. I'm always eager to expand my knowledge and acquire new, applicable skills in a professional setting.

Curriculum Vitae

Work experience
